Please invite your family and friends to join you on May 27, 2021  
to celebrate the Foundation's 25th anniversary virtual event  
from the comfort of their own homes.

If you are not able to attend, Dr. Adamson and our renowned medical volunteers  
would be very grateful if you would consider making a donation  
to our international humanitarian missions.

**Your support transforms lives.**

Further details on the virtual event will be provided with ticket purchases.

Annual Campaign donors will be recognized in our program.

Response card enclosed.
